An Evacuation Alert has been issued by the Regional District of Okanagan-Similkameen (RDOS) because of the potential danger to life and health due to the threat of flooding as a result of the ongoing atmospheric river event.

The **EVACUATION ALERT** is for the following areas:

- Eastgate: Southeast of Highway 3, Lower Community near Bonnevier Creek.
- Properties on the Pasayten Forest Service Road along the Pasayten River.

This Evacuation Alert has been issued to allow you time to take steps to safeguard your property against potential flooding, and to prepare your household to evacuate should it be necessary. Residents will be given as much advance notice as possible prior to an evacuation; however, you may receive limited notice due to changing conditions.
