4. RDOS STAFF REPORTS

4.1 Follow up on the following motions from June 2026

- **Feasibility study for the option of having a No Wake Zone area designation at/around the beach/boat launch** – Clarification made to Staff that Commission is only asking for signage in existing rope and buoyed area. Request could consist of something as simple as an actual sign stating No Wake attached to dock or existing buoy(s) or spray paint 'No Wake' on existing buoys when they are taken out for the winter.
- **Feasibility study of the possibility of any public access points to the southern portion of the KVR from roads/streets above.**
- **Feasibility study on placing furniture, signage and having garbage collection at the access behind the post boxes for the 2027 budget year** – Twin Lakes community has a grant to put towards funding some of the cost of a bench.
- **Update on Mobi Mat & quote for concrete walkway to tie Mobi Mat to sidewalk** – KCA will fund project based on their quotes which have already been provided to Staff not the RDOS amounts quoted.

Staff will ensure these items are flagged in the Strategic Action Tracker and will be included in the 2027 budget cycle for Board consideration. They have also committed to address/have further information at the December meeting.
