

REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN COMMUNITY, PARKS AND TRAILS DONATION PROGRAM

The Regional District of Okanagan-Similkameen (RDOS) invites donations from any individual, organization or service group to be made towards parks, trails, and public space improvements. This includes park benches, picnic tables, bike racks, tree plantings, or other park or community improvement projects.

The Community, Parks and Trails Donation Program is guided by the RDOS Corporate Donations and Naming Rights Policy, and the donation amounts (cost estimates) are listed in the RDOS Fees and Charges Bylaw.

PROGRAM AND PROCESS

The RDOS acknowledges that through donations, there is potential to expand and enhance the full spectrum of programs, services, and facilities for its constituents. All donations shall be recognized in a consistent and equitable manner, ensuring that they align with the corporate strategic priorities.

The process:

- Donor contacts RDOS with a request
- The donor determines which park, trail, community project, or facility, and where they would like the item to be placed
- Donor determines donation type (i.e., park bench, picnic table, gym equipment, signage, artwork)
- Staff to confirm that the location is appropriate
- Staff to determine cost of donation item (based on item price, delivery charges, taxes, concrete pad or other base, plaque and installation costs)
- Staff to request a letter, memorandum of agreement or a contract from the donor, along with wording for the plaque
- Staff to request proof for the plaque and price from the supplier if applicable
- Staff to collect donation fees
- Staff to order the item, and when received, install

COMMEMORATIVE PLAQUE GUIDELINES:

- Commemorative plaque prices are included in the price of the donation for benches, picnic tables, and other park furniture projects.
- Commemorative plaques are not permitted for tree donations and are not applicable to all donations.
- Plaque sizes and materials are standardized and determined by the item being donated. Oversized plaques are not permitted.
- The donor is encouraged to choose messages that are uplifting, inspirational or which promote enjoyment of the park area. Dates indicating lifetime and wording that serve to create a memorial of a deceased person will not be permitted. The RDOS reserves the right to final approval of plaque wording.
- Placement of memorial wreaths, flowers or other items or any modifications to the donated item will not be permitted.
