**TERMS AND CONDITIONS OF RIGHT OF INTERMENT CONTRACT**

Pursuant to Part 10 of Bylaw No. 2877, 2020 and any amendments to that bylaw, the following terms and conditions apply:

- 3.1 A person may apply to the Regional District for reservation of a Plot within the Naramata Cemetery, and upon payment of the fee prescribed in RDOS Fees & Charges Bylaw No. 2848, 2019 shall be issued a Right of Interment for the use of a Plot, provided that an unallocated subdivided Plot is available. This reservation will be limited to a maximum of three (3).
- 3.2 A Right of Interment shall be issued pursuant to this Part shall be a contract of sale in the form of Right of Interment (Plot Reservation License), and no Right of Interment may be issued or interment in the Naramata Cemetery occur, prior to the issuance of a Right of Interment or other existing reservation made pursuant to a previously applicable bylaw or regulation.
- 3.3 The Issuance of a Right of Interment does not grant Plot Holder any rights regarding the Plot, beyond the right to be interred in the Plot, subject to the requirements of this Bylaw.
- 3.4 The issuance of a Right of Interment does not grant any Plot Holder the right or interest in any roads, paths or common areas of the Cemetery other than as a means of access to his or her Plot, nor any right or interest in the gardens, structures, buildings or other property or improvements of the Cemetery.
- 3.5 A Plot Holder shall not allow or permit any interment in the reserved Plot, and shall not transfer or dispose of the right to use the Plot to another person, group or organization unless that interment, transfer or disposal is made pursuant to this Bylaw and all other applicable legislation.
- 3.6 Where a particular Plot has been reserved, and the Plot Holder wishes to transfer the reservation to a different Plot in the Naramata Cemetery, the Regional District may transfer the reservation upon receipt of the difference, if any, between the fee paid to reserve the original Plot, and the fee due as of the date of transfer to reserve the new plot through the issuance of a new Right of Interment.
- 3.7 A Plot Holder may request a transfer of the right of interment in a Plot to a spouse or other family member, and shall submit the request in writing to the Regional District.
- 3.8 Where a Plot Holder wishes to cancel a reservation for a Plot that has not yet been used for interment, without transfer of rights to another Plot or another person as provided for in Section 3.6 or 3.7, he shall notify the Regional District in writing requesting such cancellation.
- 3.9 Where a person has requested cancellation of a Plot pursuant to section 3.8, the person shall be entitled to 80% refund of the amount paid, without interest, as evidenced in the Regional District's records, for the reservation.
- 3.10 In the event that an error on the part of the Regional District is discovered in a Plot reservation prior to the use of the Plot for interment, and that Plot is no longer available, the Regional District shall:
- (1) amend the affected Right of Interment or other reservation made prior to the enactment of this Bylaw, so as to provide a Plot of equal or greater value and similar location acceptable to the Plot Holder; or
  - (2) cancel the Right of Interment and refund the full amount paid, as evidenced in the Regional District's records, for the reservation plus interest at the rate prescribed by the Act or its regulations.
- The Plot Holder shall notify the Regional District of the Plot Holder's preference within 30 days of the notification of the error, otherwise the Regional District shall be entitled to make the decision.

According to the Cremation, Interment and Funeral Services Regulation (Section 25(1)), the following terms and conditions must also be met:

**Reclamation of right of interment previously sold:**

Withy prior approval of the director, an operator may sell a right of interment for a lot in a place of interment where the right of interment for the lot has been sold previously, but only if

- (a) the owner of the right of interment is at least 90 years of age or, if living, would be at least 90 year of age,
- (b) a period of at least 50 years has elapsed from the date the prior right of interment was sold,
- (c) at least 90 days have passed since the date the operator sent a notice of the operator's intention to resell the right of interment to the last known address of the interment right holder and the operator has not received a response from the interment right holder, and
- (d) the operator has made diligent attempts to contact the interment right holder but is not able to locate or contact the interment right holder.

On receipt of an application from an operator, the director may approve or reject the application for a sale of the right of interment with or without conditions.

If the director refuses the application, the director must give the applicant written reasons for the decision.

If a right of interment for a lot is sold in the circumstances described in subsection (1), and the right of interment is subsequently required for use by the original interment right holder, the operator must provide another right of interment of equal or greater value that is acceptable to the original interment right holder of the person who has authority under section 5 of the Act with respect to the deceased interment rights holder.
