ILLEGAL TO REPRODUCE
 Property of Designs by Grant and have
 been licensed to the original purchaser
 for the construction of one building.
 It is unlawful to reproduce these Plans
 or License Agreement.
 without written permission in the form
 of a License Agreement.

Due to Local Codes, Regulations, Building Practices and/or
 specific Site Conditions, these drawings may not be suitable
 or legal for use in the construction of a building in all
 locations. Consequently, these drawings are not to be used
 as a guide for construction unless the Consultant has
 confirmed their suitability and until the drawings have been
 brought into conformity with all local requirements.
 Additionally, Designs by Grant is unable to accept liability for
 the accuracy or overall integrity of these drawings in excess
 of their original purchase price. Therefore the Buyer must
 carefully inspect all dimensions and details in these drawings
 and assume responsibility for the same.

Copyrighted - Designs by Grant - All Rights Reserved
 Reproduction of these drawings, in whole or in part, including
 their direct copying and/or preparation of similar works
 for any reason without prior written permission of
 Designs by Grant is strictly prohibited. The purchase of
 these drawings in no way transfers any copyright or other
 ownership interest in them to the buyer except for the limited
 license to use the drawings for the construction of one, and
 these drawings at a reduced price from the original set or as
 part of multiple set package does not entitle the buyer with
 license to construct more than one dwelling unit.
