**RE: Development Variance Permit (DVP) Application
4545 Mill Road, Electoral Area "E"**

My comments / concerns are:

- I do support the proposed variances at **4545 Mill Road**.
- I do not support the proposed variances at **4545 Mill Road**.

Please provide any comments you wish the Board to consider:

I am the owner of the lot _____ adjacent to the west of 4545 Mill Road (_____)
in Naramata.

I support the request to vary the front and rear parcel line setbacks to allow a new house at 4545 Mill Road. The new proposed setbacks match the previously approved setback request for the front line (1.98m) and improve on the previously approved rear line (previously approved at 3.35 m and now proposed at 4.83 m). This provides more distance between the waterfront and the building. In addition, the proposed footprint, size and height of the building have been reduced.
