To Whom it may concern,

We have been a B&B operating in Nanaimo for 21 years. We have been providing our guests a excellent experience and have been receiving five star reviews & we also have many repeat customers. We provide local information to our guests and encourage them to visit local businesses including wineries, restaurants and other stores etc.

I work myself for a local winery but for my husband Ken he has been able to manage and operate the business at home as he has health issues. This has allowed him to be able to work ✓

Thank you for your consideration.
Kind Regards

Choruman and Ken Howardt
