RE: Development Variance Permit (DVP) Application
1700 Estates Place, Electoral Area "F"

My comments / concerns are:

☒ I do support the proposed variances at 1700 Estates Place.
☐ I do not support the proposed variances at 1700 Estates Place.

Please provide any comments you wish the Board to consider:

The two sea cans are nicely painted and tucked away
not in direct view of the house, posing no issues
with the house's esthetics.
As for having one goat over the allowable two, seems
irrelevant as they are small, well cared for and much
better than the horses the previous owner had.

Re:1700 Estates place

Good morning

My property, [REDACTED] is a direct neighbour of this property, as 1700 Estate place's backyard has a shared fence to my property line.

I have no problem , what so ever regarding the sea cans(two storage units) on their property

First of all the previous owner already had a sea can on their property and that unit was sold with the property. (real estate photos will show that)

The current owners have put up beautiful fencing and painted these containers to blend in with the property.

As for the goats . The animals are small livestock (not large horses that had been housed there with the previous owners)are well cared for and do not cause any concern. (there is a property I know that has goats too! Four I believe)

These new property owners are responsible and very aware about the upkeep of their yard and the care for their animals.

They have only added to the property value with improvements they have done.

Please allow their application to be approved.

Kindest regards

Connie Welch cell [REDACTED]

HOBBY IS A FABULOUS NEIGHBOUR. HE IS VERY HELPFUL AND AS A [REDACTED] IS GREAT ASSET TO THE NEIGHBOUR. HIS CARS DO NOT AFFECT ANY OF THE SURROUNDING HOMES. THIS AREA NEEDS MORE YOUNG FAMILIES TO MOVE HERE AND THEY ARE WELCOME ADDITION TO THIS AREA.
