

Volunteer / Event Participant Survey

**Add questions to this event follow-up survey for volunteers and attendees to improve waste reduction efforts at future events. Customize and use the form below or copy and paste the questions below into your existing event follow-up survey.*

Event Survey for event goers and volunteers

The following questions are related to minimizing waste at this year's event. This information will be used to improve waste collection and reduction at future events.

1. **Did you use one of the waste sorting stations at our event? (Multi-bin waste station for garbage, recycling, compost and bottles/cans)**

Yes / No

2. **How was your experience at the minimal waste station?**

(Check all that apply)

- A volunteer greeted me positively
- I received help deciding which bin to put my waste in
- I learned something about where to put my waste
- The waste station was in a good location
- I was happy with my experience
- I was not happy with my experience
- I was not happy with how the volunteer spoke to me
- I was not happy about having to think about where my waste goes
- The waste station was inconveniently placed at the event
- Other: _____

3. **Do you want to see more waste reduction efforts at future events?**

Yes / No

4. **What types of initiatives would you like to see?**

5. **For Volunteers: If you volunteered at a waste sorting station at the event, how was your experience?**

6. **For Volunteers: Would you volunteer at this event next year?**

Yes / No
