

NARAMATA IRRIGATION SYSTEM USERS

Fall 2019 IRRIGATION TURN-OFF

Public Works Water Operators will commence the **Fall Irrigation Connection Turn-Off:**

THE WEEK OF OCTOBER 19, 2020

Please take whatever precautions necessary to winterize your private systems.

While this notice targets those with separate irrigation connections, it is also a great time for homeowners to check their *Pressure Reducing Valves (PRV's)* inside their homes and on their irrigation systems in higher pressure areas, to ensure they are working correctly and replace them as needed. PRV's help to protect plumbing fixtures from damage or breaks that may cause wasteful leaks. The life expectancy for PRV's is about 10 years.

For more information, or to request an alternate irrigation shut off date, please contact the Public Works department at 250.490.4135 prior to October 22nd.

Thank you for your cooperation.

RDOS Public Works Department
October 7, 2020

For after hours water emergencies please call Regional Dispatch at 250.490.4141 and they will contact Public Works Standby Operators.

Be Safe—Be Informed—Be Involved In Your Community

SIGN UP TO RECEIVE IMPORTANT RDOS WATER SYSTEM NOTIFICATIONS

To ensure the residents and property owners of the Regional District of Okanagan-Similkameen are safe, informed and up-to-date with community activities, the RDOS has implemented a mass communication service called *CivicReady*. This system allows the RDOS to communicate out routine and emergency messages through email, text and/or phone call.

To sign up or learn more about CivicReady go to: www.rdos.bc.ca & look for the alarm button or sign up link on the right-hand side
