ELECTRICAL UPGRADE COMMISSIONING

SAGE MESA, HUSULA HIGHLANDS, WESTWOOD ESTATES

RDOS staff and contractors will be commissioning the recent electrical upgrades to the Sage Mesa water system beginning Monday, July 20, 2020.

During the commissioning period, we will be operating the system manually and we are asking that people do not use water for irrigation on Monday or Wednesday during the day, and to limit their domestic use as much as possible during the day between Monday and Wednesday.

Regular *Stage Normal* water restrictions already designate Monday to be a non-watering day but we wanted to remind folks that at this time it's critical that the water supply is conserved for basic domestic use and for fire fighting purposes.

THE TEMPORARY WATER RESTRICTION IS FOR ALL USERS INCLUDING THE GOLF COURSES.

If you have any questions or concerns, please give us a call at 250-490-4135.

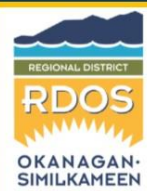

Thank you for your patience
