

BOIL WATER NOTICE UPDATE

WILLOWBROOK WATER SYSTEM USERS

October 2, 2019

The Regional District of Okanagan-Similkameen advises that total coliforms have been detected in recent routine drinking water bacteriological samples.

We are reminding all users of the Willowbrook water system that the **Boil Water Notice** remains in effect until further notice.

People are advised to use a safe alternate source of water or to **boil water** for all drinking, infant formula preparation, brushing teeth, food preparation/cooking purposes and ice making. Water should be brought to a full boil and allowed to boil for at least 1 minute.

The RDOS would also like to remind all business owners/operators (bed and breakfasts) and public facilities operators that it is the responsibility of said establishments to notify their customers of the **Boil Water Notice**.

For further information, please contact the Public Works Department at (250) 490-4135 or toll free 1-877-610-3737. For after-hours water emergencies call Regional Dispatch at 250.490.4141.

Thank you for your cooperation.

Be Safe—Be Informed—Be Involved In Your Community

SIGN UP TO RECEIVE IMPORTANT RDOS WATER SYSTEM NOTIFICATIONS

To ensure the residents and property owners of the Regional District of Okanagan-Similkameen are safe, informed and up-to-date with community activities, the RDOS has implemented a mass communication service called *CivicReady*. This system allows the RDOS to communicate out routine and emergency messages through email, text and/or phone call.

Routine Notifications:
