

# RDOS RESIDENTIAL WATERING

## RESTRICTIONS FOR SYSTEM USERS 2023

### STAGE 1 (Watering 3 Days per Week)

Due to the prolonged heat wave and minimal precipitation across the region, drought conditions in the region are predicted. The Province has elevated the drought level in the region and has asked all water users to reduce demand as such the Regional District is issuing a **Stage 1** water restriction. We are advising all RDOS owned/operated water system customers that **Stage 1** watering restrictions are now in effect. Please restrict use to designated days and try and conserve water use.
