**REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN**  
**REQUEST FOR PROPOSALS**  
**[After Action Review – Wildfires 2021]**

---

**1. INTRODUCTION**

**1.1. PURPOSE**

The Regional District of Okanagan-Similkameen (Regional District) is requesting submission of Proposals from qualified consultants to conduct an After Action Review of the Regional Emergency Operations Centre (EOC) in its support of the Interface Wildfires that occurred within the Regional District boundary in 2021.

The finished project will include a written report, which will include recommendations for the continual improvement of the Regional Emergency Management Program, including its partners. Participants will be provided opportunities to share their experiences and to gain an understanding of what led to certain outcomes.

**1.2. BACKGROUND**

The Regional District has been actively supporting emergency response agencies such as BC Wildfire and local fire departments in their efforts to stop wildfires since the beginning of July 2021. Evacuation Orders and Alerts have displaced over 1,000 properties across the Regional District and the fires have impacted not only residents within the Regional District but also residents of the neighboring incorporated communities (Town of Oliver, Town of Princeton and the Town of Osoyoos) and neighboring First Nation communities (Osoyoos Indian Band, Lower Similkameen Indian Band, Upper Similkameen Indian Band, and Penticton Indian Band).

In the realm of Emergency Management, it is best practice to conduct an after action review to:

- Document lessons learned from the event
- Provide achievable and measurable recommendations to enhance the RDOS EOC operations and emergency response capacity in the region
- Complete a master action plan of raw data to track action and close issues for staff and volunteers that worked during the response

**1.3. SUPPORTING DOCUMENTATION**

The Regional District Emergency Operations Center shares information through its emergency operations website <https://emergency.rdos.bc.ca/>

Information on the wildfire events, information releases, orders, alerts, rescinds, as well as links to our mass communication system (Civic Ready) and social media (Facebook, and Twitter) are present. This page will assist you in the scope of the project.
