Section 5.2, which reads:

First Draft	November 2022
Final Plan Completion Date	Late November/ Early December 2022

Shall now read:

Task	Completion Date
Award to Consultant	October 2022
Community Engagement	November/Early December 2022
First Draft	January 2022
Final Plan Completion Date	February 2022

Question #1:

What is the rationale for having two public engagements?

Response #1:

- *To give the community and applicable stakeholders the opportunity to provide feedback on the draft plan in an effort to ensure their needs are reflected in the final document*
 - *With that being said – we'd certainly be interested in considering an alternative rationale, if it is outlined how that rationale still achieves the intent articulated above*

Question #2:

Does the project have to be completed by the end of the year or is there some flexibility in the schedule?

Response #2:

Please see amended schedule above

Question #3:

What is the budget for project?

Response #3:

The budget is undisclosed
