**ADDENDUM NO. 2**

By this Addendum # 2, the Request for Quotes document for the above noted Project shall be amended as specified below. This Addendum is being issued in response to questions submitted to the RDOS.

**Question:** *If RDOS is not eligible for an Enterprise Agreement, would you accept pricing under Microsoft's Cloud Solution Provider (CSP) model?*

- Yes we will look at all option pricing.

**Question:** - *My licensing specialist has determined a different set of SKU's that would be more cost effective but provide the same Microsoft functionality for RDOS. Is it acceptable to submit 2 different pricing options (ie. the one requested, and the version we would recommend for cost effectiveness)? We will include a comparison breakdown.*

- Yes it is acceptable to submit 2 different pricing options.

**The deadline for the submission of proposals remains unchanged as Friday, May 5, 2023 at 2:00 PM PST.**
