

REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN

Housing Needs Report Update – Project No. RDOS-24-PLAN-01

Request for Proposals – Amendment No. 1

The subsequent amendments reflect the inclusion of the City of Penticton into the scope of the Housing Needs Report Update project.

AMENDMENT 1: On page 5 of the Housing Needs Report Update RFP at paragraph 3 under “Report Purpose”, it was stated that the Regional District is collaborating with the Town of Osoyoos and Village of Keremeos on the preparation of an Updated Housing Needs Report. The Housing Needs Report Update project will now also include collaboration with the City of Penticton.

AMENDMENT 2: On page 6 of the Housing Needs Report Update RFP at paragraph 4 under “Report Process”, in addition to the already listed requirements, the successful Consultant would also be expected to:

- review the previously completed City of Penticton [Housing Needs Assessment \(2017\)](#) and [Housing Needs Assessment \(2023\)](#).
- expand the population and housing needs projections as will be required by the new Provincial regulations/guidance, and include an assessment of anticipated demand for shelter, supportive, youth, seniors, and other non-market housing, and the stock required to meet the projected demand for non-market/social housing from a regional perspective.
