## FAULDER WATER SYSTEM – UPPER ZONE

### WEATHER RELATED WATER SUPPLY

### ADVISORY

December 10, 2021

---

The Regional District of Okanagan-Similkameen (RDOS) is advising properties noted below that we have received notice of a significant weather system with high winds expected Friday and into the weekend. High winds could result in power outages, so we are suggesting that residents ensure a good supply of domestic water is on hand as a precautionary measure. Parts have been ordered for the generator and we are hoping that they arrive next week. The **Boil Water Notice** will remain in effect until further notice.
