WASTEWATER NOTICE

VINTAGE VIEWS WASTEWATER SYSTEM USERS

June 19, 2026

The Regional District of Okanagan Similkameen (RDOS) is requesting residents in the **Vintage Views Wastewater Service Area** to **immediately reduce flushing and all water use that drains into the sewer system** until further notice due to an ongoing emergency incident.

“The RDOS is aware of the situation and is actively working to resolve it,” said Managing Director, Development and Infrastructure Services, Allen Fillion. “At this time, the RDOS is asking all residents to limit flushing and the use of any water that enters the sewer system within their household until further notice.”

Effective immediately, please REDUCE:

- Flushing toilets
- Showering and bathing
- Use of dishwashers
- Use of washing machines
- Any other water use that drains into the sewage system

Please follow all posted closures and instructions at Garnett Family Park at Heritage Hills.

Water quality is unchanged, and the current Boil Water Notice remains in effect.

Updates will be published when information is available.

For further information, please visit the RDOS Regional Connections dedicated page:
