THE REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN (RDOS) ADVERTISEMENT

Skaha Estates and Lakeshore Regional Water System Feasibility Study

RFP-RDOS-26-Water Services-078

The Regional District of Okanagan-Similkameen (RDOS) is seeking proposals from qualified professionals (QP) to complete a feasibility study and cost-based assessment of the benefits of combining the Skaha Estates and Lakeshore Water systems with options to include connections to the Okanagan Falls Water system and Kaleden Irrigation District. The combining of systems will include the design and construction of a new water treatment plant, and deep-water intake. All systems are within proximity at the southern extent of Skaha lake. The successful Respondent will be required to analyze the existing systems in their current condition, analyze data to assess required upgrades, and determine required maintenance.

Respondents are encouraged to use innovation to provide a proposal that meets the needs of the Regional District and adds additional value to the project.

For full details regarding this opportunity, please visit the RDOS Bonfire portal rdos.bonfirehub.ca.

ELECTRONIC SUBMISSIONS ONLY

Submissions will only be accepted, online, through the Bonfire portal. Hand delivered, emailed and/or fax submissions will not be accepted.

All submissions must be received through the Bonfire portal on or before 2:00 PM, Local Time, May 29, 2026.

Respondents **must** be registered vendors on the RDOS Bonfire portal to issue a response to this opportunity and/or receive addenda or other important notifications. The RDOS does not accept any responsibility for missing addenda, notifications or misunderstandings when the source documents were downloaded from any other website or portal, other than the RDOS Bonfire portal rdos.bonfirehub.ca.

It is the responsibility of the Respondent to acknowledge all addenda issued through the RDOS Bonfire portal rdos.bonfirehub.ca.
