EFFECTIVE IMMEDIATELY THERE IS A BAN ON OPEN FIRE, CAMPFIRE & ANY OFFROADING ACTIVITIES

Specifically prohibited activities include:

1. The burning of any waste, slash or other materials (piled or scattered)
2. The burning of any fires (unless a ceremonial fire)
3. Stubble or grass fires of any size over any area
4. The use of fireworks, sky lanterns or burning barrels of any size or description
5. Campfires of any size – Propane fires allowed if kept small
6. ATV'ing in back country/off main roads
7. Motorcycling in back country/off main roads
8. Driving in back country/off main roads

The Penticton Indian Band Chief and Council and EOC authorize the Fire Department to attend any reported fire and put out for the safety of the Community.

The cultural practice of ceremonial fires in the event of a passing will be respected. The Penticton Indian Band will ensure that there are safety protocols in place.

The extreme heat and dry conditions put the Community at great risk and it is important we all do our part to protect each other.
