Curbside Collection Program

- RDOS Curbside Collection has changed to automated collection and requires standardized carts.
- Curbside pick-up times can vary, place carts to the curb before 7:00 am to ensure they get picked up.
- Do not leave garbage or recycling at the curb overnight.
- Only RDOS carts will be collected from.
- Write your address on the white space on the front of the cart and record the serial number to avoid mix-ups.
- Carts are assigned to the property. Do not take carts when you move and do not swap with others.
- **Need different cart sizes or new carts?** Visit rdos.bc.ca/curbside to see cart size options and request a cart change-out. A \$45 delivery/admin fee applies.
- Damaged, lost, or stolen carts? Contact the Solid Waste Hotline.
- Place your cart so the arrows on the lid are facing the roadway, and the wheels are by the curb.
- **Make sure there is a one metre (3 feet) space in between carts and a 3 metre clearance space above carts.**

Garbage - Weekly

- Garbage will only be collected if in an RDOS cart. Make sure lid can close and do not over stuff.
- **More garbage?** Place **Tag-a-Bag** stickers on extra bags as needed. RDOS Tag-a-Bag stickers can be purchased at the Osoyoos Town Office, RDOS Main Office or Oliver Buy-Low Foods for **\$2.50** each. Stick the tag on the top of the bag and place it next to your garbage cart.
- Wildlife-resistant carts must be unclipped or they will not be collected from.

No batteries, hazardous waste, or recyclables.

Yard Waste
