Okanagan-Similkameen Transit (OK Falls, Skaha Estates, Heritage Hills, Lakeshore Highlands, Vintage Views)	\$33.05

This tax bill is for a property assessed at \$325,000

How do I calculate what I pay?

- The services you receive depend on where you live.
- There are services that everyone in Area "D" receives (#1 on tax bill) and other services that are only provided to certain specific areas (#2 on tax bill)
- Add the "area wide services total" (#1) with those services you receive from the Area Specific Services component (#2) to determine your total.

Example 1: I live in Okanagan Falls ...

#1 Sub-total	\$341.32
#2	
Recycling	\$110.00
Fire	\$124.00
Recreation	\$180.00
Sewer	\$653.00
Transit	\$33.05
#2 Sub-total	\$1,100.05

#1 (\$341.32) + #2 (\$1,100.05) = \$1,441.37

Example 2: I live in Kaleden ...

#1 Sub-total	\$341.32
#2	
Recycling	\$145.00
Fire	\$223.00
Recreation	\$79.00
#2 Sub-total	\$447.00

#1 (\$341.32) + #2 (\$447.00) = \$788.32

Example 3: I live in Apex ...

#1 Sub-total	\$317.48
#2	none
#2 Sub-total	\$0.00

#1 (\$317.48) + #2 (\$0.00) = \$317.48

* unless I live in the Apex Circle Area, then I would pay \$317.48 + \$633.00 = \$950.48.
