## 24.0 COMPREHENSIVE DEVELOPMENT

### 24.1 NORTH BEACH ESTATES COMPREHENSIVE DEVELOPMENT (CD1) ZONE

#### 24.1.1 Purpose:

The purpose of the North Beach Estates Comprehensive Development Zone (CD1) is to create comprehensive, site-specific land use regulations for the parcel — hereinafter referred to as “North Beach Estates” — located at 506 North Beach Road (legally described as District Lot 2694, Osoyoos Division, Yale District, except: Plans 11635 and 13218 and 14500; That Part Which Lies to the West of the Most Westerly Boundary of the Highway as shown on Plan H578; and Plans H578, B3611 and KAP75221) in order to reconcile the historical lawful non-conforming land use pattern on the lands with the regulations of the Zoning Bylaw and the policies of the Official Community Plan Bylaw.

#### 24.1.2 Location:

The property is situated between the east side of Highway 97 and the west side of Okanagan Lake, adjacent to the Okanagan Lake Provincial Park.

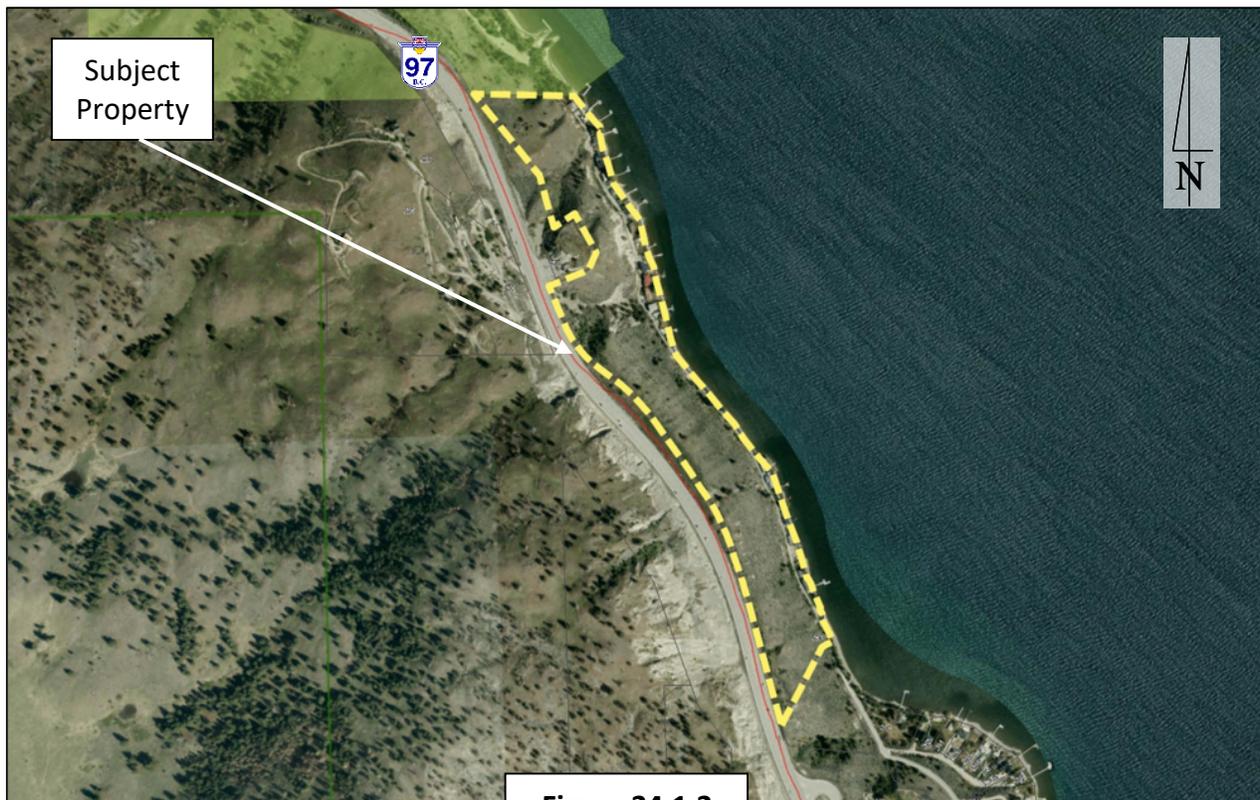

Figure 24.1.2

#### 24.1.3 North Beach Estates Share Lots:

A plan that identifies the North Beach Estates “share lots”, is included at Schedule ‘5’ to this Bylaw, and forms part of this Bylaw.

#### 24.1.4 Background:

In 1964, North Beach Estates Limited (Incorporation # BC0060201) acquired the North Beach Estates Lands and facilitated the residential development of the lands. By virtue of ownership in the corporation, each shareholder was granted exclusive use of a defined portion of the lands and was permitted under the Articles of Association one single detached dwelling and one guest cabin.

Situated on a narrow strip of land between the shore of Okanagan Lake to the east and the toe of a steep bluff to the west, these dwellings share a number of unique locational challenges, including, but not limited to, geotechnical, roadway, riparian, and servicing.

In 1972, Regional District Zoning Bylaw No. 68, 1969, became applicable to the lands, rendering the dwellings on the property lawful non-conforming and severely restricting their long-term sustainability. This CD Zone recognizes the historical lawful non-conforming use of the lands and restricts further development of the site beyond the lawful non-conforming density.

Available Regional District records indicate that a geotechnical assessment of the property was completed in 1995 in order to support the development of the subject property for additional “recreational buildings” and the a number of building permits for *single detached dwellings* were subsequently issued between 1997 and 2017.

## 24.3 TWIN LAKE ACRES COMPREHENSIVE DEVELOPMENT (CD4) ZONE

### 24.3.1 Purpose

The purpose of the Twin Lake Acres Comprehensive Development Zone is to create comprehensive, site-specific land use regulations for the parcel located at 160 Twin Lakes Road, which is legally described as Lot 20, Plan KAP17461, District Lot 2169, Section 36, Township 89, SDYD, in order to reconcile the historical land use pattern on the lands with the regulations of the Zoning Bylaw.

### 24.3.2 Location

The property is situated at Twin Lakes with a frontage to the northern shore of Twin Lakes.<sup>lxiii</sup>

### 24.3.3 Background

At its meeting of May 30, 1974, the Regional District Board adopted Amendment Bylaw No. 206, which authorised Land Use Contract (LUC) No. LU-9-D, the purpose of which was to facilitate the development of the “Twin Lakes Guest Ranch & Resort Limited” (being an “all season resort”).

The LUC permitted the development of seven (7) accessory “single family dwellings and mobile homes” on the subject property, subject to their use being related to the Resort (i.e. “dude ranch and stables”).

<sup>lxiii</sup> Amendment Bylaw No. 2800.25, 2023 – adopted May 4, 2023.

The first building permit for the development of a dwelling unit (mobile home) on the property was issued on May 14, 1975, with subsequent permits for the remaining dwelling units issued throughout the 1970s and 1980s.

In 2018, the Regional District initiated the “Early Termination” of LUC No. LU-9-D. Due to the “share-lot” nature of development at 160 Twin Lakes Road, and the cessation of the resort use at some previous point, a comprehensive development zone formalising the residential use of the property was created to replace the LUC.

This zone limits density to that which was previously permitted under the LUC (i.e. 7 dwelling units, and no accessory dwellings or secondary suites) due to the “share-lot” nature of the property. Similarly, the zone does not contemplate subdivision due to the absence of a community sewer system at Twin Lakes as well as the property being in the Agricultural Land Reserve (ALR).

#### **24.3.4 Permitted Uses:**

Principal Uses:

- a) *single detached dwelling;*

Accessory Uses:

- b) *agriculture;*
- c) *accessory building or structure, subject to Section 7.1;*

## 24.5 LOMBARDY BAY ESTATES COMPREHENSIVE DEVELOPMENT (CD7) ZONE

### 24.5.1 Purpose:

The purpose of the Lombardy Bay Estates Comprehensive Development Zone is to create comprehensive, site-specific land use regulations for the parcel located at 461 North Beach Road, which is legally described as Lot 14, Plan KAP11635, District Lot 2694, ODYD, Except Plan 12498, in order to reconcile the historical land use pattern on the lands with the regulations of the Zoning Bylaw.

### 24.5.2 Location:

The property is bounded by North Beach Road to the west and Okanagan Lake to the east approximately 2.0 km north of the boundary between Electoral Area "F" and the District of Summerland.

### 24.5.3 Background:

At its meeting of September 18, 1975, the Regional District Board adopted Amendment Bylaw No. 223, which authorised Land Use Contract No. LU-1-F, the purpose of which was to facilitate the development of four additional dwellings on sites at Lombardy Bay Estates that had been created in 1968, and no longer complied with the zoning introduced to the area in 1971. The LUC permitted the development of nine (9) total dwelling units on the property.

In 2019, the Regional District initiated the “Early Termination” of LUC No. LU-1-F. Due to the “share-lot” nature of development at 461 North Beach Road, a comprehensive development zone was created to replace the LUC.

This zone limits density to that which was previously permitted under the LUC (i.e. 9 dwelling units, and no accessory dwellings or secondary suites) due to the “share-lot” nature of the property. Similarly, the zone does not contemplate subdivision due to the absence of a community sewer system at Lombardy Bay Estates.

- i) *Front parcel line* 7.5 metres
- ii) *Rear parcel line* 7.5 metres
- iii) *Interior side parcel line* 1.5 metres

iv) *Exterior side parcel line*

## 24.6 CHUTES END COMPREHENSIVE DEVELOPMENT (CD8) ZONE

### 24.6.1 Purpose:

The purpose of the Chutes End Comprehensive Development Zone is to create a transitional zone that will allow for the subsequent development of an approximately 12.5 ha area of predominantly vacant Crown land to a range of residents densities and dwelling types. This area comprises an incomplete phase in the development of the Apex Mountain Ski Resort.

### 24.6.2 Location:

The subject area comprises the Upper Parking Lot and related maintenance buildings and extends eastwards to Creekview Road. The area is bounded by Keremeos Creek to the north and existing ski runs associated with Apex Mountain to the south.

### 24.6.3 Background:

The Apex Alpine Resort Area Master Plan (1981) envisioned “seven phases of development” at Apex Mountain, five (5) of which had been completed by November of 1981.

The Plan called “for the ultimate development of 126 single family units, 411 condominium and 100 hotel units as well as 36, 281 square feet of commercial floor space. Apex Alpine also intends to construct 45 employee accommodation units with a total of 106 beds.”

Phase 7 of the Master Plan was to have been completed between 1983-85 and included, amongst other things, “60 residential strata lots” as well as “roads and services” to “Chutes End”, which is shown as comprising an approximately 2.0 ha (5.0 acre) area to be developed to “condo” (i.e. townhomes) units (see Figure 17.2.2).
