INDIGENOUS COMMUNITIES OF THE SOUTH OKANAGAN AND SIMILKAMEEN

Okanagan Nation Alliance (ONA) works to advance the interests and rights of the syilx/Okanagan Nation. ONA offers wellness programs and plays an important role in managing fisheries, aquatic resources, and natural resources throughout syilx traditional territory.

ONA includes seven syilx communities (West Bank First Nation, Upper Nicola Band, Okanagan Indian Band, OIB, PIB, LSIB, and Colville Confederated Tribes.) USIB is a syilx community independent of the ONA governance structure.

Every syilx community has unique legislation for each reserve.
