Dear Ms. Kozakevich,

On behalf of Interior Health, I would like to thank you for your letter of support for the Childcare Facility at the Penticton Regional Hospital. It is my understanding that the team is working through the options for us to consider and a decision is forthcoming.

Thank you for your continued interest for this project for the Okanagan Similkameen and your commitment to providing safe and reliable childcare for our young medical professionals in the region. Please feel free to reach out to me directly if you would like to discuss this further.

Sincerely,

A handwritten signature in black ink that reads "S. Brown".
