

REMINDER:

BOIL WATER NOTICE IN EFFECT

SKAHA ESTATES WATER SYSTEM

January 20, 2026

The Regional District of Okanagan-Similkameen would like to remind all users of the Skaha Estates Water System (formerly Skaha Estates Improvement District/SEID) that a **Boil Water Notice** remains in effect for the entire water system. Water sampling results continue to report the presence of Total Coliforms and background bacteria within the water distribution system.

All residents are encouraged to follow the **Boil Water Notice** at all times. Water system users are advised to use a safe alternate source of water or to boil water for all drinking, oral hygiene, and food preparation/cooking purposes. Water should be brought to a full boil and allowed to boil for at least one (1) minute to reduce the risk of infection from pathogens that may be found in the water.

The RDOS is reminding all business owners/operators (bed and breakfasts) and public facilities operators that it is the responsibility of said establishments to notify their customers of the **Boil Water Notice**.

For further information, please contact RDOS Public Works at 250-490-4135 during regular business hours, Monday through Friday.

For after-hours water emergencies, please call RDOS Regional Dispatch at 250-490-4141.

Thank you for your cooperation.
