Because of the potential danger to life and health, the Osoyoos Indian Band has issued an **Evacuation Alert** for the following areas: Manuel's Canyon Road and McKinney Road from 2035 to 3335.

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents and, if time and space permits, keepsakes for quick departure.
- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.
- Prepare to take pets with you and move livestock to a safe area (if possible).
- Arrange transportation for all your household members. Fill the gas tanks of personal vehicles. If transportation assistance is needed, call Mike Campol at 250-689-2115.
- Arrange accommodation for all members of the residence, if possible.
- Wait for an Evacuation Order to be issued before evacuating. Monitor Osoyoos Indian Band Facebook Page or Castanet Media Briefing at 3pm daily for information on evacuation orders and location of Reception Centres.

Further information will be issued at The Osoyoos Indian Band Facebook page, or visit Castanet Media Briefing at 3pm daily for more information.
