PIB EOC – Skaha Creek Fire Update

Wai' PIB community and neighbours.

PIB Emergency Operations Centre team is in contact with BC Wildfire Service (BCWS) and are consulting with Environment and Climate Change Canada (EC) to anticipate fire behavior this afternoon and evening. There are winds expected this afternoon coming from the north sustained at 20km/h, gusting to 40km/h. Ground crews and aerial support continue suppression efforts and building containment guards.

Penticton Indian Band has activated our Emergency Operations Centre to respond to this event. To provide the most up to date information to the public, our team uses social media and sends relevant information to our regional government partners to help amplify the outreach.

Members of the public are invited to “like, follow and share” any of our social media profiles.

On Facebook you can find us at “sn'pinktn eoc”.

On Twitter you can find us at “@PibEoc”.

On Instagram you can find us at “@pibeoc”.

This will help keep you informed on current conditions or relevant information related to the fire or any other emergency event impacting our community.

There are no evacuation alerts or orders currently.

Please stay tuned and stay safe.
