

REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN

INFORMATION RELEASE

September 4, 2020

RDOS information system update

The Regional District of Okanagan-Similkameen (RDOS) continues to work towards restoring its internal system network and email services after an attempted ransomware attack in August. To prevent damage to the operating systems, staff isolated the network and took email, Internet and other services offline. This resulted in limited access to some content on the website including internet mapping. The RDOS recognizes the importance of this information and staff are working to restore access as soon as possible.

Please send mapping enquiries to planning@rdos.bc.ca

Third quarter billing for Naramata residents is currently delayed due to network issues. The RDOS Board is considering relaxing late penalties applied to these accounts. The RDOS Board is also considering relaxing late penalties applied to annual billing accounts paid by September 30, 2020 in accordance with the Regional District of Okanagan-Similkameen Fees and Charges Bylaw No. 2877, 2020.

Please send billing enquiries to billing@rdos.bc.ca

RDOS staff currently have limited access to email and you may see a 'bounce back' if you've sent an email to an rdos.bc.ca email address in the past few weeks. Please use the following email addresses until regular email service is restored:
