

# BOIL WATER NOTICE UPDATE

## WILLOWBROOK WATER SYSTEM USERS

MAY 18, 2018

---

The Regional District of Okanagan-Similkameen is reminding all users of the Willowbrook water system that the **Boil Water Notice** remains in effect until further notice. The continuing high water table and flood conditions could negatively affect the community well, so please be sure to adhere to the Boil Water Notice.

People are advised to use a safe alternate source of water or to **boil water** for all drinking, infant formula preparation, brushing teeth, food preparation/cooking purposes and ice making. Water should be brought to a full boil and allowed to boil for at least 1 minute.

The RDOS would also like to remind all business owners/operators (bed and breakfasts) and public facilities operators that it is the responsibility of said establishments to notify their customers of the **Boil Water Notice**.

For further information, please contact the Public Works Department at (250) 490-4135 or toll free 1-877-610-3737. For after-hours water emergencies call Regional Dispatch at 250.490.4141.

Thank you for your cooperation.

*If you wish to receive future notification by email as well, please send an email to [info@rdos.bc.ca](mailto:info@rdos.bc.ca) and remember to include your name, address, and phone number.*
