REQUEST FOR QUOTATIONS

SAGE MESA UPPER RESERVOIR STRUCTURAL SUPPORT, FABRICATION AND INSTALLATION

RDOS-23-UTL-10

April 5, 2023

GENERAL

The Regional District of Okanagan-Similkameen (RDOS) is requesting submission of quotations and timelines for the fabrication, delivery and installation of structural support components within the Sage Mesa Upper Reservoir, located adjacent to 1714 Forsyth Place, Penticton, BC.

The Contractor/Supplier will be responsible for working with the RDOS and supporting engineering consulting firm(s) to procure, fabricate, deliver and install structural support components meeting the requirements outlined in design drawings provided.

The existing Sage Mesa Upper Reservoir requires repairs in order to maintain the current level of service. These repairs are being considered and planned for, however, in order to safe guard the reservoir from any possible structural movement, a structural support system has been designed to be installed in the interim.

Selection will be based on the submitted quote, the time lines and demonstrated experience, expertise and previous quality performance.

SPECIFICATIONS & WORK

The intent of this contract is for a Supplier/Contractor/Fabricator to provide, fabricate, deliver and install all structural support components specified on provided engineering design drawing.

Installation of fabricated structural components will be within a water system reservoir confined space.

ALTERNATIVES

Alternatives or equals to the specified products/components will be considered. The supplier shall outline the substitution(s)/alternative(s) and provide reason and substantiation for each occurrence.

EXPECTED TIMELINES

For scheduling purposes, the intent of the RDOS is to issue notice of award by April 21, 2023 and target a Completion Date of May 19, 2023. The Supplier shall consider these dates when preparing the quotation.

TAXES AND DUTIES

1. The Supplier shall include sales tax in accordance with current sales tax legislation taking into account any changes that have been made known by the Government and that will occur during the life of the Contract.

2. If sales taxes are increased or decreased, or other amendments are made in the legislation during the course of the Contract that alter tax amounts carried in the Contract price, an adjustment will be made accordingly to the Total Contract Price.
3. The Supplier shall keep records and invoices of accounts subject to Goods and Services Tax and Provincial Sales Tax for the purpose of establishing taxes paid and for substantiation in the event of changes to the tax legislation during the course of the Contract.
4. The Supplier shall contact the Sales Tax authorities and determine what the applicable taxes are and the procedures for tax exemption and/or refunding and include related administrative costs in the Tender.

TERMS OF PAYMENT

Advise on terms of payment required in the quotation.

QUOTATION

Submissions shall include the following information:

- Qualifications, background and directly related experience;
- Key personnel and any sub-contractor(s)/consultant(s);
- Details of tasks and timelines, including proposed date of delivery;
- Breakdown showing supply, delivery and fabrication costs.
- Proof of Confined Space Certification for installation of components in reservoir.
- Proof of Canadian Welding Bureau (CWB) or provide how requirements are achieved.

Ensure sufficient detail is provided to facilitate evaluation of level of effort by task and cost.

Fees and fee estimates must include all applicable taxes but show taxes as a separate item.

All respondents must, in addition to such other mandatory requirements as may be set out in the Request for Quotes:

- Provide a certification with respect to safety.

All Ministry and WorkSafeBC safety policies will apply to the work. This includes policies regarding safety equipment, signs, traffic control and procedures.
