

NOTICE

NARAMATA WATER SYSTEM

TEMPORARY WATER SHUT DOWN FOR EMERGENCY REPAIR

WHEN:	Saturday, November 13, 2021
TIME:	2:15 pm to 7:00 pm (estimated)
AREAS AFFECTED:	All properties South of 2264 Naramata Road to the City Border

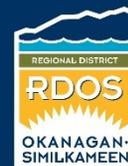

Public Works crews are currently working on a water main break near 2264 Naramata Road. We anticipate this job to take approximately 3 to 4 hours

If possible, please let any of your neighbours in the area know that may not have email or internet. Once the work is completed, you may wish to run your cold-water taps or outside hoses for a few minutes to flush any turbidity or cloudy water through - prior to drinking or using for laundry etc.

For after-hours water related emergencies, please call Regional Dispatch at 250-490-4141
Thank you for your patience.

*We are transitioning from the mass notification system
CivicReady to Voyent Alert!
for routine and emergency notifications*

CIVICREADY
