

REGIONAL DISTRICT of OKANAGAN-SIMILKAMEEN

Request for Proposals

Bush Truck

RFP # 16120220104

Dec 29, 2021

GENERAL

The Regional District of Okanagan-Similkameen (RDOS) administers seven Regional Fire Services. The purpose of this Request for Proposals (RFP) is to seek proposals from a qualified supplier to supply a **Bush Truck** for the Naramata Fire Department.

SPECIFICATIONS AND WORK

1. To include but not limited to items listed in RFP# 16120220104, Schedule "A".
2. Optional equipment bid as noted.

REQUEST FOR PROPOSAL AND SCHEDULE

1. Provide a proposal for a **Bush Truck** that includes (but not limited to) the specifications outlined in Schedule "A" and describe/list all components and specifications of the quoted fire truck.
2. Provide a proposal for items listed as options (optional).
3. Provide a "no later than" delivery date for the vehicle.
4. Provide a date for which this proposal is no longer valid.

NO OBLIGATION TO PROCEED

Although the RDOS fully intends at this time to proceed with the purchase described in the RFP the RDOS is under no obligation to proceed with the purchase. The receipt by the RDOS of any information (including submissions, ideas, plans, drawings, models or other materials communicated or exhibited by any intended proponent, or on their behalf) shall not impose any obligations on the RDOS. There is no guarantee by the RDOS, its officers, employees or agents, that the process initiated by the issuance of this RFP will continue, or that this RFP process will result in a purchase by the RDOS.

ENQUIRIES

All enquiries related to this RFP are to be directed, in writing to the person listed below. Information obtained from any other source is not official and should not be relied upon.

Jeff Luesink, Fire Fighter
Naramata Fire Department
Email – jluesink@pentictonfoundry.com

REQUEST FOR PROPOSALS

1. The Proposal shall be in Canadian Dollars and shall include all applicable taxes, including but not limited to custom duties, delivery charges and all other taxes on labour, services, and equipment.
2. Address quotations to:

Jim Zaffino, Manager of Finance
Regional District of Okanagan-Similkameen
101 Martin Street, Penticton BC
V2A 5J9

Or
izaffino@rdos.bc.ca

Envelopes or Subject lines should be clearly marked “Naramata Bush Truck Request for Proposals” and will be received up to and including 15:30 hrs (local time) on **January 28, 2022**.

The RDOS reserves the right to waive minor irregularities in or reject any or all Proposals, or accept the Proposal deemed most favorable in the interest of the RD, having regard to the price, timeline, equipment and qualifications offered.

2022 NARAMATA FIRE RESCUE – “BUSH TRUCK” – SPECIFICATIONS - Schedule “A”
RFP 16120220104

Truck Deck - Optional	
Approximately 96” Wide x 110” Long, Aluminum construction.	
The deck will be attached to the chassis rails with a minimum of four (4) heavy duty “U” bolts (shipped loose). The deck shall be separated from the chassis by Teflon. Attachment of the deck to allow for distortion and off-road operational conditions.	
Rear vertical skirt to include Signal, brake, reverse lights, D.O.T., license plate. (See also option for trailer hitch) Also to have two folding steps.	
Transverse compartment across the front of the deck. Approx. 16” long x 30” high x 96” wide. Lower transverse compartment to have a clear 12” x 12” ID to allow for hand tools and to have one horizontally hinged door on each side, swinging down. The second stacked transverse compartment is to have two removeable hose trays (Side by side) with a horizontally hinged door on each side, swinging upwards.	
An integral headache rack will extend approx. 2” above the truck cab (Approximate rack height of 42”). Emergency lights mounted on top of the headache rack.	
Divers Side Compartment, aluminum construction. 60” long x 30” high x 20” deep. Door to hinge upwards. Floor covered with black plastic tiles. Single locking handle. One adjustable shelf.	
Passenger Side Compartment, aluminum construction, 60” long x 30” high x 20” deep. Door to hinge upwards. Floor covered with black plastic tiles. Single locking handle. One adjustable shelf.	
Upper Storage area: The three compartments will be topped with a “U” shaped suction hose tray that will accommodate a 10ft (+) suction hose. Height of the tray to be 6”.	

2022 NARAMATA FIRE RESCUE – “BUSH TRUCK” – SPECIFICATIONS - Schedule “A”
RFP 16120220104

The deck will accommodate a 54” wide x 60” long x 36” high customer supplied water tank. Positioned between the 60” long side compartments.	
Aluminum Wheel Chocks c/w storage	
Emergency Lighting Package - Optional	
Emergency Lighting Package Minimal number of lights, while still meeting the NFPA 1901 Exterior warning lighting requirements for a “small vehicle”. The Light Bar is to be mounted on the aluminum deck headache rack.	
Radio wiring (Radio supplied by Naramata Fire)	
Custom Aluminum cab console between the front two seats, built to suit the radio & light controller, with a 120-volt outlet and USB charging outlet(s)	
LED Scene lighting (x2 telescopic located on the front of the deck, x2 mounted on the backside of the side compartments.	
Trailer Hitch - Optional	
Trailer Hitch Receiver (Specify Size) To tow up to 6,000 Lb Trailer 7-Way Trailer Receptacle	
Hose Reel - Optional	
Electric rewind hose reel with 1” x 150ft rubber booster hose. Roller guides installed. Customer to mount.
