EMERGENCY ELECTRICAL WORK AT PUMP STATION

COMPLETED

SAGE MESA, HUSULA HIGHLANDS, WESTWOOD ESTATES

RDOS Public Works crews along with the electrical contractor finally received the much needed parts and the repair was completed at the Lake Pump station today.

Water usage can now return to normal as we can once again control the pumps to fill the reservoirs automatically through the PLC and SCADA systems, rather than having to do it manually.

Thank you for your cooperation during this repair.

If you have any questions or concerns, please give us a call at 250-490-4135 during regular business hours Mon-Fri from 8:30 a.m. to 4:30 p.m.

For after hours water emergencies call Regional Dispatch at 250-490-4141.
