RFP-RDOS-25-PARKS-060

PARKS DEPARTMENT UTILITY TASKS VEHICLE (UTV)

The RDOS Parks Department requires a Utility Task Vehicle (UTV) that meets the operational needs of its diverse outdoor assets. The UTV will be deployed across urban parks, remote trails, and service roads, and must be suitable for year-round use. Key requirements/specifications include:

- Off-road and highway capability
- Enclosed heated cab
- Snowplow attachment
- Safety features compliant with Transport Canada and WorkSafe regulations

Respondents are encouraged to submit multiple proposals of suitable models and/or fuel types (gasoline, diesel, or electric-powered) as the RDOS will evaluate specifications, emissions, suitability for work conditions and value-added components. All submissions must include detailed specifications, optional features, warranty coverage, delivery timelines, and pricing. Specifications are outlined in detail in this RFP. Please include brochures and/or specifications information with your submission, in the appropriate upload field provided.

This RFP document describes the services sought by the Regional District and sets out the RDOS's RFP process, basic proposal requirements and the evaluation criteria the Regional District intends to use to select a preferred proposal.
