**FOR LANDFILL ORGANIC MATERIAL GRINDING SERVICES**

**RFP-RDOS-26-SOLID WASTE-074**

The Regional District of Okanagan-Similkameen (RDOS) invites Proposals from qualified firms with demonstrated expertise in organics materials reduction through grinding/chipping.

The purpose of the RFP is to establish suitable chipping specifications, schedule of service, as well as prices for equipment mobilization, grinding of accumulated material and transportation (to an adjacent processed stockpile, or loaded for off-site destinations). General Landfill Grinding requirements include but are not limited to:

- Mobilization/Demobilization
- Wood and Organics Grinding Process
- Safety/Fire & Dust Suppression
- Product Grade
- Volume Measurement
- Contaminants Removal
- On-Site/Off-Site Loading and Transportation
- Site Preparation and Completion
- Cost

Detail Specifications to be considered under the terms of this RFP are contained in the Scope of Work section of this package.

The Contractor must demonstrate compliance with all applicable bylaws and regulations of the Regional District and all applicable laws of the Province of British Columbia and the Government of Canada. Respondents must demonstrate not only a technical understanding of the process, but also a commitment to superior service levels.

This RFP document describes the services sought by the RDOS and sets out the RDOS's RFP process, basic proposal requirement and the evaluation criteria the RDOS intends to use to select a preferred proposal.

Respondents are encouraged to use innovation to provide a proposal that meets the needs of the Regional District and adds additional value to the project.
